SUBJECT: Public Meeting to Discuss Sampling of Wells and Next Steps for PFAS Discovered in Wells Along East Road

TIME: Monday, April 14, 2025, 6 PM Eastern Time

Location: Cole Hall, 61 Buck Hill Road, Shaftsbury, VT

This **Notice of a Public Meeting** to discuss PFAS work (sampling, investigation) at the neighborhood on and near East Road in Shaftsbury. The meeting is to be held at Cole Hall, 61 Buck Hill Road, in Shaftsbury at 6 pm on Monday, April 14, 2025. The Vermont Department of Environmental Conservation, Sites Management Section (SMS) has completed, through our contractors Tetrattech and Clearwater Filtration, multiple rounds of sampling of water supplies at homes along East Road, Lower East Road, Furnace Brook Road, East Mountain Road, Red Clover Lane, and other roads in the neighborhoods around East Road just under a mile north of the Shaftsbury/Bennington town line. The SMS is inviting citizens in this area, citizens in Shaftsbury, and other interested parties to this meeting to review what work has been completed, proposed future work, and conclusions drawn by the SMS.
