Notice on hybrid public meetings

This meeting is a hybrid meeting, which means that some or all of the public body is meeting remotely and some are meeting physically in a previously noticed location where the public may attend to observe, listen, and participate contemporaneously. One member of this public body or other staff is present at the location to ensure the public can participate, if desired.

Please note that while we will strive to provide means for those attending remotely to participate in the public comment period, there may be technical difficulties or reasons that otherwise prevent or interrupt remote public participation. Therefore, it is important to note that the Open Meeting Law only ensures the public's right to participate and comment at a public meeting by attending at the designated physical location as posted in the notice and agenda.

Remote Only Public Informational Hearing Handout Town of Shaftsbury

Public Informational Hearing

The process for using the Australian ballot system at town meeting requires a public informational hearing as a precursor to the vote. The Selectboard must hold an informational hearing when a town uses this system of voting on any public or budget question. The informational hearing, which is administered by the Selectboard, must be held within the 10 days immediately preceding the town meeting at which the Australian ballot system of voting is to be used. The purpose of the informational hearing is to afford the electorate an opportunity to discuss the article(s) on which they will be voting. The hearing serves as the debate component that would otherwise accompany voting when conducted from the floor.

The Selectboard of the town of Shaftsbury will offer in person and remote access via electronic means to its public informational hearing. Whenever feasible, the public should, at minimum, be able to access and participate in the remote hearing by dialing in through telephone.

Accessing a Meeting

Please refer to the remote only public informational hearing notice and agenda for information on how to access the hearing remotely. Please note that whether you join by telephone, computer, or device, you may be put on hold or in a waiting “room” until granted access to the hearing. You also may be muted or restricted from using any chat function until the public comment portion of the hearing.

Participation

All meetings will be conducted in accordance with the Selectboard’s Rules of Procedure , to the extent practicable. The moderator will follow the public informational hearing agenda and, when feasible, allow members of the public attending remotely to participate through voice (audio) means or alternatively using any chat function during the designated public comment periods on the agenda and at other applicable times as needed.

While the moderator will attempt to provide those attending remotely the same reasonable opportunity to comment, please be aware that technical and other issues may interfere or possibly even prevent that opportunity from occurring.

Initially, the meeting’s host/organizer will mute all remote attendees. This is necessary to control background noise. The host/organizer will then unmute remote participants or allow participants to unmute themselves when invited to speak by the moderator.

Please review the following guidelines:

- The moderator will invite comment:
 - during the public comment period as designated on the agenda; and
 - other times as determined by the moderator.
- When a remote participant/attendee is unmuted, they must state their name before commenting.

When the Selectboard adjourns the hearing, the host/organizer will end the electronic meeting by turning off/closing the remote meeting software. Remote attendees will be automatically disconnected.

The hearing will be recorded unless unusual circumstances make it impossible to do so. Minutes and other public records that are part of the hearing will be made available in accordance with VT's Open Meeting and Public Records Laws.
