Old Business & Ongoing Projects

- **Soccer Nets:** Mr. D'Onofrio will order new nets and check the frames of the existing ones to determine their usability.

- **Peckham Signage:** The sign requires repainting; supplies will cost approximately \$35-\$40. John will assist in relocation to a heated area for painting. Ms. Costin will take lead on the painting process.

New Business

The event will be open to the community and feature a running course with color powder stations. Ms. Newcomb asked if the run could either start/end (or both) at Howard Park.
- **Bicycle Path Proposal:** Discussion on adding a **bike-friendly path** in the park to encourage safe riding for families. The committee will explore potential locations and funding options.
