

GRASS MOUNTAIN

HABITAT WALK

SATURDAY, AUGUST 2, 2025

9 A.M. MEETING TIME

GREEN MOUNTAIN NATIONAL FOREST

END OF SHAFTSBURY HOLLOW ROAD
SHAFTSBURY, VT 05262

Amelia “Melly” Napper, RGS & AWS Public Lands Wildlife Forester, will lead exploration and conversation at Grass Mountain. Participants will explore the future project area and learn about forest management and stewardship contracting to create wildlife habitat and restore streams.

The habitat walk will take an estimated 2 to 3 hours and include up to 2 miles of walking. Participants should dress appropriately for the weather and walk.

Event is weather dependent. Registrants will be notified of any changes in the event plan due to inclement weather.
